

NICHOLAS NARCHI

SCREENWRITER

I am a 27 year old writer. I have recently graduated with a Bachelor of Arts (Hons) in 2D Animation & Character for Digital Media with a degree from the University of Hertfordshire. Recently I completed my Masters in screenwriting also at eh University of Hertfordshire. MY final project consisted of a feature length script about a boy from a dystopian future who loves movies and how that impacts his life both positively and negatively.

I have interned previously at a production company called Glaz where I worked on live action TV series, documentaries and movies alike.

EXPERIENCE

Junior Project Manager

OMA Ativos Ambientais

Oct 2022 - Apr 2023 (7 months)

- Working on the company's mascot while also creating assets for presentations.
- Using Excel for data organization and management of partners of our clients.
- Creating and presenting PowerPoint presentations for both members of the company and clients in order to explain ongoings of our team.
- Creating and updating a reference sheet of industry terms translated from Portuguese to English.

Writer Assistant

Glaz

Sep 2019 - Dec 2019 (4 months)

- Working with Final Draft, Celtx and Twin for writing and rewriting scripts while also working with story beats.
- Identifying story beats for better understanding of existing scripts and aiding in re-organizing them chronologically and by relevance in said stories.
- Participating in meetings with directors, producers, editors and writers providing feedback on the final edits of projects while also keeping track of any changes that had to be made script wise, such as the addition of voice over monologues.
- Taking several plot points that spanned episodes and creating a tighter smaller version that could fit in a feature length film.
- Consideration of the stories' complicated themes (such as abuse, misogyny and domestic violence) while reworking the story in order to be respectful and true to the harsh reality of these issues.

SKILLS

Screenwriting, Creative Writing, Drawing, Photography

Software : Final Draft, Celtx, Twine, Adobe Photoshop, After Effects, Microsof Excel.

EDUCATION

Master of Arts - MA, Screenwriting

University of Hertfordshire
